## Autumn 2018: What's On?

BACK SEPT 10th - NEW PLAY COURSE

This term, we will be running Themed Duplicate in the morning (10am - 12.55pm), and Supervised Play (1.30pm - 3.30pm) in the afternoon - no booking for these sessions. I am also running three scheduled 8-week courses: **Intermediate, Intermediate Extra and Suit Combinations (NEW!)** - please see below for more details...

### **Supervised Play** (*Suitable for all players*)

Play and learn with other players of a similar standard - with over-the-shoulder advice. Great fun guaranteed!

### **Themed Duplicate** (*Intermediate+ players*)

Learn/revise a new topic each week. This term we will be covering my new Suit Combinations course. Then play nine deals Duplicate-style (i.e. without supervision) - and testing out the weekly theme - before a run through of the bidding and play with an eventual winner. - the perfect brain-tickler!

### **Intermediate Course** (Beginner+ & Intermediate players)

This is the 'bread and butter' course covering essential bidding techniques - ideal for those who have completed my Beginner or Basic Card-Play course as well as those needing consolidation or revision. Once you know this course, you're off and away! **PLEASE BOOK.**

### **NEW! Suit Combination Course** (*Intermediate+ players*)

This new course will look at all of the main suit combinations you will meet as declarer, and will look at the best way to approach each one ('highest from shortest', 'weak to strong' etc). Vital for ALL players! **PLEASE BOOK.**

### **Intermediate Extra Course** (Intermediate+ players)

This course covers aspects of bidding that need extra attention, including bidding 6+ card suits, responding and overcalling 1NT - and more. Suitable for all standards, particularly those in need of consolidating the essentials. **PLEASE BOOK**

*All sessions take place at the **Blackheath & Greenwich Bowls Club, SE3 9BL.** You don't need a partner for any session. Friendly bridge only. Parking is available free on the road outside provided you have a voucher to put in your windscreen.*
